

| EXPLODED<br>DIAGRAM<br>REF STATIC | FIXTURE  | PART NUMBER  | DESCRIPTION                                |
|-----------------------------------|----------|--------------|--------------------------------------------|
| 1                                 | WELLPOD2 | PTJ61106712C | HANGING BRACKET B (BOM#1)                  |
| 2                                 | WELLPOD2 | PTJ61106711A | HANGING BRACKET A (BOM#2)                  |
| 3                                 | WELLPOD2 | PTJ32000413  | NYLON WASHER (BOM#3)                       |
| 4                                 | WELLPOD2 | PTJ61106696  | LOCK B (BOM#4)                             |
| 5                                 | WELLPOD2 | PTJ61106721B | HANGEING BRACKET KNOB A (BOM#5)            |
| 6                                 | WELLPOD2 | PTJ61107904A | CLIPS (BOM#6)                              |
| 7                                 | WELLPOD2 | PTJ32600580A | ADJUSTING FOOT (BOM#7)                     |
| 8                                 | WELLPOD2 | PTJ32600581A | RUBBER FOOT (BOM#8)                        |
| 9                                 | WELLPOD2 | PTJ61106629A | METAL PLATE (BOM#9)                        |
| 10                                | WELLPOD2 | PTJ49900183C | THIN-FILM SWITCH (BOM#10)                  |
| 11                                | WELLPOD2 | PTJ61106630D | METAL PLATE B (BOM#11)                     |
| 12                                | WELLPOD2 | PTJ32500145A | WASHER (BOM#12)                            |
| 13                                | WELLPOD2 | PTJ32500134B | LOCK SPRING (BOM#13)                       |
| 14                                | WELLPOD2 | PTJ61107080A | BUTTON (BOM#14)                            |
| 15                                | WELLPOD2 | PTJ61107303B | BATTERY PROTECTION PLATE B (BOM#15)        |
| 16                                | WELLPOD2 | PTJ43100101  | BATTERY (BOM#16)                           |
| 17                                | WELLPOD2 | PTJ61107301  | BATTERY PROTECTION PLATE A (BOM#17)        |
| 18                                | WELLPOD2 | PTJ32001258  | SCREW (BOM#18)                             |
| 19                                | WELLPOD2 | PTJ32500172  | ADJUSTING SPRING (BOM#19)                  |
| 20                                | WELLPOD2 | PTJ61107297F | HOUISNG (BOM#20)                           |
| 21                                | WELLPOD2 | PTJ21004539  | LED PCB (BOM#21)                           |
| 22                                | WELLPOD2 | PTJ72000017  | WIFI ANTENNA (BOM#22)                      |
| 23                                | WELLPOD2 | PTJ32100097A | STAND OFF (BOM#23)                         |
| 24                                | WELLPOD2 | PTJ32301807  | LEN (BOM#24)                               |
| 25                                | WELLPOD2 | PTJ62001386A | LEN COVER ASSEMBLY (BOM#25)                |
| 26                                | WELLPOD2 | PTJ32203101C | FILTER (BOM#26)                            |
| 27                                | WELLPOD2 | PTJ39900054A | MEGNET (BOM#27)                            |
| 28                                | WELLPOD2 | PTJ32301722  | FRONT GLASS (BOM#28)                       |
| 29                                | WELLPOD2 | PTJ32600583A | WASHER (BOM#29)                            |
| 30                                | WELLPOD2 | PTJ61106701B | HEAD COVER (BOM#30)                        |
| 31                                | WELLPOD2 | PTJ33300059  | RUBBER FOR IP POWER IN/OUT SOCKET (BOM#31) |
| 32                                | WELLPOD2 | PTJ33300053  | IP POWER IN/OUT SOCKET (BOM#32)            |
| 33                                | WELLPOD2 | PTJ34100163  | VALVE (BOM#33)                             |
| 34                                | WELLPOD2 | PTJ32301966  | NFC FRONT GLASS (BOM#34)                   |
| 35                                | WELLPOD2 | PTJ21004397  | NFC SENSOR BOARD (BOM#35) Blue Board       |
| 36                                | WELLPOD2 | PTJ21003799  | DMX CONNECTOR PCB(5PIN) (BOM#36)           |
| 37                                | WELLPOD2 | PTJ33000407A | PSU (BOM#37)                               |
| 38                                | WELLPOD2 | PTJ32001013  | FORM GASKET (BOM#38)                       |
| 39                                | WELLPOD2 | PTJ21004540B | MPCB & DISPLAY PCB ASSEMBLY (BOM#39)       |
| 40                                | WELLPOD2 | PTJ32300345  | DISPLAY LEN (BOM#40)                       |
| 41                                | WELLPOD2 | PTJ49900181A | BUZZER (BOM#41)                            |
| 42                                | WELLPOD2 | PTJ32600671B | CUSHION RUBBER FOR BASE COVER (BOM#42)     |
| 43                                | WELLPOD2 | PTJ62001079A | CHARGING STATION ASSEMBLY (BOM#43)         |
| 44                                | WELLPOD2 | PTJ61107299E | BOTTOM COVER (BOM#44)                      |
| 45                                | WELLPOD2 | PTJ39900041  | POWER SWITCH (BOM#45)                      |
| 46                                | WELLPOD2 | PTJ33300063  | USB SOCKET (BOM#46)                        |
| 47                                | WELLPOD2 | PTJ61106710  | HANGING BARCKET KNOB (BOM#47)              |
| 48                                | WELLPOD2 | PTJ32000415A | NYLON WASHER (BOM#48)                      |
| 49                                | WELLPOD2 | PTJ61106695  | LOCK A (BOM#49)                            |
